420 Slip, Full Service Marina on Magnificent Lake Superior

250 Marina Drive, Superior, WI 54880 • 715-392-7131 • Fax 715-392-7133

February 1, 2010 [info@barkers-island-marina.com](mailto:info@barkers-island-marina.com) • [www.barkers-island-marina.com](http://www.barkers-island-marina.com)

It's been a brutal winter elsewhere in the Country, but here it's just been a normal season. We've actually had little significant snow fall here in Superior. There's been more rain than snow from the few storms that have come our way.

If you haven't reserved your slip for 2010 please do so now with your \$350 deposit. If we have not received a deposit we will have to assume the slip is available for reassignment.

Don't miss the opportunity to save with our popular **FRIENDS AND FAMILY DOCKAGE SAVINGS PLAN**. Save hundreds of dollars off your seasonal dockage with every new 2010 seasonal dockage customer you bring to Barker's Island Marina. **Example: if your friend has a 30' boat you will each receive \$150 (\$5 per ft.) off your 2010 seasonal dockage** (excludes "A Dock special rates" and is subject to slip availability).

Our Service Center has been very busy this winter, but there may still be time for us to fit in your project before spring, if you contact us now. **Bow & stern thruster** installations are a specialty of our Service Center. We have several being installed now. Contact us today for a quote for your boat. With many new **Raymarine & FURUNO** products available we are doing many system upgrades. If you would like to discuss having a new hi-tech navigation electronics system installed or the perhaps the latest in satellite TV we'll be happy to advise you on a system that fits your needs and budget.

In addition to offering complete systems and mechanical servicing we also have a full rigging shop for sailboats. We can spec. out and perform complete running and standing rigging upgrades, including sail handling systems and roll swaging of wire rope standing rigging.

We're clearing some inventory out of our parts loft and are posting items to our company **ebay store**. We'll be adding additional items at times so keep checking. Here's the link:

<http://stores.ebay.com/Manitowoc-Marina>.

If you have questions about, or interest in any of the items feel free contact us directly.

Duluth will again be the site of a Tall Ships display, July 28 - August 4. Building on the terrific success in 2008 they will have 8 magnificent Tall Ships on display. For tickets to the festival, day sails aboard the ships or more information, please go to [www.visitduluth.com](http://www.visitduluth.com). Dovetailing with the Tall Ships event will be the annual Wooden Boat Show here at Barker's Island Marina, Saturday July 31. For more information or to display a boat contact: Doug George at [amazingskiff@msn.com](mailto:amazingskiff@msn.com)

Happy Boating!
