Although it's natural for people to want to cool off during the warm summer weather, we need to remind everyone that **swimming in the Marina is prohibited**. We don't have this rule to be killjoys, but because of the danger involved. In addition to the obvious danger of being hit by boat traffic, there is the possibility of electrocution. Stray currents can leak into the water from boats using AC shorepower and generation systems; anyone swimming and exposed to this can become paralyzed, suffer cardiac arrest and drown.

We've always welcomed pets. However, it's with the expectation that they will be kept leashed, under control, and picked up after when off your boat. To respect everyone's enjoyment of the Marina we remind you of this and thank you for your understanding and cooperation.

If you don't winter store your boat with us, trailer storage in our lot is \$6.75 per foot based on boat length. If you remove your trailer promptly after you've launched your boat, there is no extra charge.

Super Dock Boxes available and installed at your slip for only \$349.

Marina Hours are as follows: Fuel Dock: 8:00 – 6:00 everyday. Service and Parts Dept: 8:00 – 4:30 everyday. Ship's Store: Monday and Tuesday 8:00 - 5:00, Wednesday and Thursday 8:00 – 4:30, Friday, Saturday and Sunday 8:00 – 6:00

Boat sales activity is picking up, and now is a great time to buy. If you would like to look at any of our listings, please contact Angie Moen at [amoen@sailboats-inc.com](mailto:amoen@sailboats-inc.com) or call 715-392-7131 or 800-826-7010.

Happy Boating!
